

CENTRO CULTURALE ITALIANO DI BUFFALO

COMMUNITY. LANGUAGE. TRADITION.

Volunteer Mission Statement: Our volunteers are actively involved in executing the daily operations and educational initiatives of CCI by contributing their time and skills. The main areas of volunteer engagement are event management, and daily activities in our café, gift shop, kitchen, and courtyard. Our core motivation is to upgrade awareness about Italian culture, education, cooking and heritage in our community.

Benefits to volunteering at the CCI: Camaraderie, encouraging the interest and growth in our Italian American community, deeper understanding of Italian society, customs, and traditions. Making an impact on the community while experiencing the culture. Attend special events and member only events with free or reduced admission, reduced café prices, early access to travel opportunities and other Italian American organization events, participate in our volunteer rewards program, join committees, and let your voice be heard.
